

Accounts and Service Policy

Meridian Training Bank | Fictional policy | Version 1.0 | Effective 1 October 2026

Account rules

AS01 Everyday Savings

Average monthly balance is INR 5000. The shortfall charge is INR 150 per calendar month.

AS02 Salary Savings

No minimum balance applies while qualifying payroll credits continue. After three consecutive calendar months without payroll credits, convert to Everyday Savings from the first day of the fourth month. Notify the customer before conversion.

AS03 Senior waiver

Customers aged 60 or above have a minimum balance waiver on Everyday Savings. The standard annual debit card fee is INR 250 and is not waived by this rule.

AS04 Dormancy

An account becomes dormant after 24 months without a customer initiated debit or credit. Interest credits and service charges do not prevent dormancy. Reactivation requires branch identity verification and updated KYC.

Meridian Training Bank | Fictional policy | Version 1.0 | Effective 1 October 2026

KYC and complaint handling

AS05 Address changes

A signed request and accepted address document are required. Accepted documents are a utility bill issued within 90 calendar days or a current rental agreement. Processing target is three working days after complete receipt.

AS06 Complaint reporting

Suspected unauthorised card activity must be reported immediately through the approved bank channel. Do not delay reporting because the account is dormant. Advise card blocking through the approved app or branch workflow; the assistant cannot block it.

AS07 Duplicate card debit

Required evidence is both transaction dates and amounts, merchant name, masked card reference and a redacted statement showing both entries. Investigation target is ten working days after complete evidence. If exceeded, refer to the Branch Service Manager. A refund is not guaranteed.

AS08 Privacy and missing information

Never request OTPs, passwords, PINs, CVVs or full account or card numbers. The assistant explains policies only. Compensation amounts, bank contact numbers and regulatory deadlines are not provided. Refer missing policy questions to authorised bank staff.
